

Pray For ELY

Zone C:

Walk 10

Prayer Walk 10 is an “extra” – it is a pleasant walk through Ely Country Park, which is highly recommended on a dry day.

A suggested parking space is Sainsbury’s car park (check maximum parking stay). With Sainsbury’s behind you, in the outside part of the car park, on the far left corner you will find an entrance into Ely Country Park. As you enter the park, take either the first or second paths on your right and walk to the end and turn right. You will come out into Fisherman’s Car Park heading towards the water front. As you reach the River, hard on your left is a footpath that goes underneath the railway track. Take this footpath which will take you on a pleasant walk along the river for some distance. Right at the end of the path take a left through a gate and continue up a short distance until you reach Kiln Lane which is an access only road. Turn left until you reach the railway crossing. Cross the railway safely.

You now have a choice of routes.

The first route is to continue up the lane. Past the lakes on your left will be a footpath across Ely Common. If you reach Prickwillow Road then you have missed the turning for the path! Walk along Ely Common, coming out onto Prickwillow Road near the mini-roundabout with Lisle Lane. Walk down Lisle Lane a short distance until you reach Roswell View. With Roswell View in front of you, on the left you should see a sign for a footpath. Take the footpath which goes along the back of Lisle Close and brings you out onto the foot of Springhead Lane. You are now on the Hereward Way! Turn right to Lisle Lane, cross over and you will be able to re-enter the country park. Take the first footpath on your right and you will find yourself back at Sainsbury’s car park.

The second route is having crossed the railway to look to your left and just head of you, you should see a wooden gate and an accessible footpath. Take the footpath which takes you through a wooded area until you emerge again in Ely Country Park. Turn right when you are able along a short stretch of footpath that returns you to Sainsbury’s car park.
