Start from the junction of Cambridge Road and West End. There should be a parking spot along West End near the West End House (Pub). Walk along Cambridge Road away from the city, taking in Marriot Drive, Samuels Way, Cambridge Court and Houghton Gardens on the left en route.

Turn into Tower Road on the left and walk to the left through the car parking space to the end past the funeral directors and on the footpath to Witchford Road. Turn left back towards town until you reach the junction of Witchford Road and Cambridge Road. Turn right along Cambridge Road away from the city. Turn into Gateway Gardens emerging back onto Witchford Road.

Continue to walk along Witchford Road taking in Pilgrims Way and Grace Gardens and then turn into Norfolk Road. Along Norfolk Road take in Bedford Close, Suffolk Close, Warwick Drive, Northampton Close, Leicester Close and finally Hertford Close. At the end of Hertford Close pick up the footpath onto St John's Road. Walk along St John's Road a short distance and then turn right into Longfields. Follow the main course of the road as it becomes Yorke Way and the Chase, passing Mawson Close. At the end of the chase where a footpath intersects, turn right onto the footpath. The footpath brings you out onto Tower Court and then back onto Cambridge Road. Turn left along Cambridge road returning to your starting point again.
